

Lucio Ingargiola

Video Editor | Content Creator

Azul, Buenos Aires | Phone: 2281593861 | Email: lucioingargiola1@gmail.com

Video editor and content strategist with an analytical profile. I specialize in agile editing, vertical format optimization, and storytelling focused on retaining user attention. I design visual narratives backed by trend research and metrics to achieve precise results.

Skills & Competencies

- **Technical Editing & Post-Production:** Dynamic editing in CapCut and Premiere, subtitle synchronization (.srt), cut structuring, and optimized export.
- **Digital Strategy & CM:** Editorial calendar planning, A/B testing, and conversion-oriented content design.
- **Trend Research:** Trend analysis, viral audio adaptation, and format structuring for TikTok and Instagram Reels.
- **Storytelling:** Visual narratives focused on retention and measurable results.
- **Tools:** CapCut, Premiere, Canva, Instagram, TikTok, and calendar management.
- **Focus:** Metrics-driven approach and vertical format optimization.

Professional Experience

- **Freelance Audiovisual Editor – Content Creators & Music (2023 – Present)**
Rhythmic editing (beat-sync) of music pieces for Reels and TikTok, applying current trends to maximize algorithmic reach. Dynamic editing of interviews and podcast-style formats, implementing interactive subtitles, visual hooks (hooks), and silence removal to ensure high audience retention.
- **Audiovisual Editor – Gaceta Play (2023 – Present)**
Daily editing and post-production of news pieces, applying creative direction to transform stories into native social media formats. Adaptation of horizontal content into high-impact vertical formats, maintaining pace and ensuring high viewer retention rates.
- **Content Editor & Creator – ZINCLAIR Art Space (2023 – Present)**
Strategic development of the account's visual identity and narrative, translating the space's curatorial concept into a dynamic and engaging audiovisual language.
- **Digital Strategist – Car Dealership / Automotive Sales (Present)**
Planning and execution of Instagram content strategy focused on driving qualified traffic. Design of editorial calendars and writing of persuasive copy aimed at direct commercial lead generation.

Education

Storytelling Course – Santander (2025): Narrative applied to digital formats.

Community Manager Course – Coderhouse (2024): Community management, strategy, and metrics.
